Go Green Conference 2023

On Wednesday 28th June, we held our second annual Go Green Conference, a chance to explore careers associated with environmental impacts and green futures. This year it was lovely to welcome Years 3 and 5 from All Saints School to join us in making bee hotels, planting lavender and learning all about the impacts of bees and farming in the local area.

Thank you as well to our Green Council and Careers Council pupils for supporting the event.
