Uniform Policy

REVIEWED BY: United Learning

DATE REVIEWED: Autumn 2023

DATE OF NEXT REVIEW: Autumn 2024

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Miss Havard (Vice Principal), who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats and bags.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy moving forwards and carefully considering any complaints about the policy

Frequently Asked Questions Regarding Uniform

What happens if my child comes to school without school shoes?

If there is a genuine reason for your child not wearing school shoes, we ask that you inform their form tutor or pastoral leader by email or telephone before your child arrives at school on that day. If no reason is provided your child will be isolated until this is corrected.

What happens if my child comes to school without a compulsory item?

If there is a genuine reason for your child not wearing a compulsory item, we ask that you inform their form tutor or pastoral leader by email or telephone before your child arrives at school on that day. If no reason is provided your child will be isolated until this is corrected.

What happens if I can't afford to replace school uniform?

If you cannot afford to replace the school uniform, please contact your child's form tutor or pastoral leader by email or telephone. We can point you in the right direction to gain support with this.

Why can't my child wear clothes, jewellery or make-up to express their personality and individuality?

School is a formal setting (just like a place of work or business) where pupils should be treated equally and have equal access to attention and support from staff. We do not want to encourage an environment where pupils are competing in terms of their appearance or how "fashionable" they look. Pupils very often claim that their appearance sets them apart from others and is an expression of individuality when actually they are simply conforming to the expectations of their peer group.

Why can't my child wear piercings/nail extensions/varnish when I have been told that other children do?

Pupils often use this as their first defence with parents/carers and members of staff. Invariably, the truth is that everyone else is not being allowed to break the rules that also apply to your child. Where there are pupils wearing piercings/nail varnish/extensions then they will also be isolated until this is corrected.

Why can't my child have nail extensions?

As previously stated, long nail extensions pose a risk when a pupil is engaged in physical activity or taking part in specific subjects within the curriculum. If one is ripped off or brushes another pupil, this can result in painful cuts and rips to the skin. In addition, the academy does not want to encourage an environment where such "additions" to appearances are taken as the norm.
