

Friday 22<sup>nd</sup> May 2020

Dear Parents/Carers,

As half-term approaches, we continue to celebrate the fantastic work that all of us as a team (Parents, Pupils and Staff) have done to ensure our pupils succeed and achieve their best in these unprecedented circumstances.

During half-term, we will continue to offer on-site provision for the children of keyworkers, however, for the rest of our pupils I would like them to relax and take a break from their homework. We are not expecting our pupils to work during half term and no work will be set during this time. It is important that staff and pupils have a rest.

After half-term, our staff will continue to provide work for pupils to work on at home through online learning. We have been really impressed by the quality of work that we have seen so far and we are extremely proud of everything our pupils are doing in these exceptional circumstances. I would like to reassure you that we remain as committed as ever to supporting your child through the coming weeks and months

Going forward, we would love to see a return to some sort of normality soon, we miss the laughter and seeing our pupils every day, however, it is essential that this only happens when it is safe to do so. As you will be aware from the news, the current picture is ever changing but please be assured we will keep in touch with you as events unfold.

Please continue to monitor our website for updates and do not hesitate to email [info@george-eliot.warwickshire.sch.uk](mailto:info@george-eliot.warwickshire.sch.uk) or phone 07583063826 if there is anything you need help with.

On behalf of myself, and everyone at The George Eliot School, I would like to thank you for everything you are doing in these challenging times and please thank your child for their dedication and commitment to learning. We are so proud of them.

I would like to wish you all a restful half-term and please stay safe and well.

Yours sincerely

A handwritten signature in black ink, appearing to read 'H Zakary', with a horizontal line extending to the right.
