

10th November 2019

Dear Year 10 Pupils and Parents,

This is an exciting year for Year 10s to continue exploring future education and career paths. We were delighted with the number of pupils who came to the Careers Event, so thank you to those who joined us. Many pupils expressed how useful they found it, and we will continue to build on this success for next year.

We will soon be launching our Work Experience week, which will be **6th-10th July 2020**. Part of the experience is for pupils to organise their own placement, allowing them to ensure it is a meaningful way to spend the week. Some pupils have already begun to contact employers, so please do start to make enquiries if you know where you would like to be placed. Although we will support this process, and ensure that health and safety checks are made, it is the students' job to find a placement: the sooner this process begins, the better!

There are a number of careers events planned so here are some dates for your diaries:

Tues 26th November 2019 **Work Experience Launch evening – South Hall 6-7pm.**

Friday 18th January 2020 **Deadline for confirming Work Experience placements**

Friday 26th June 2020 Mock interviews with employers in library

Monday 6 th July – Friday 10 th July 2020 - Work Experience Week
--

Monday 13th July 2020 Work Experience reflection morning

We would like to invite all of you to attend the **Work Experience Launch on Tuesday 26th November, 6-7pm**. Please park outside the South building. On this date, you will be able to collect all of the paperwork required, and will be able to ask any questions you have.

Pupils, or parents, may come to ask about individual concerns at the 'Work Experience Drop-In' on Mondays 2nd, 9th and 16th December, and Mondays 6th and 13th January. This will be 3.10-5pm in L001. Parents may also email: emma.egginton@george-eliot.warwickshire.sch.uk

Yours sincerely,

Emma Egginton
