

June 2020

Dear Year 11 Pupil

We are pleased that most of you have now secured a destination for next year. Many of you have chosen to continue with studies completing 'A' levels whilst others are focussing on vocational courses and apprenticeships. If anyone needs any further help with their choices please contact debbie.partridge@midlandat.co.uk or call 07813 450650. Debbie is working every day and I know many of you have already contacted her with questions and queries.

We would like you to think about visiting the websites of the provider you intend to go to as many have started to put information on them and suggested things you could do in preparation for this next step.

We have seen some subject related information on **North Warwickshire and South Leicestershire College** which you will find useful. The link is <https://www.nwslc.ac.uk/blog/nwslc-schools-express-issue-8/> scroll down and you will find some subject resources.

Higham Lane 6th Form also have an area on their website to look at for prospective students <https://highamlaneschool.co.uk/summertranstion2020>

King Edward VI College in Nuneaton have an area on their website for information and resources about preparing for going to join them: <https://kecnuneaton.ac.uk/preparation-for-college/>

If you are looking for an apprenticeship visit www.gov.uk/apply-apprenticeship to find the national vacancies available and those in your local area.

If you are still unsure or have changed your mind, then please contact Debbie and she will spend time with you looking at your post 16 options. When we have clearer information on the enrolment processes for the post 16 providers we will be in touch with you again.

Please continue to check your GES emails. All the information above has been communicated regularly throughout the bulletins we send out. We have also been calling home over the last four weeks to 'check-in' on you all, although many of you have been contacting us for support with references and higher level studies. It is lovely to see so many determined and motivated young people utilising this time to get themselves focused on their next steps.

Mr Hollick is busy organising a plan that will support you to collect your hoodies, this will have to be done in a staggered manner with appointments so please look to our GES email bulletins for further information.

Please can we ask that if you have any spare uniform, PE kit, revision or library books that you put them in a sealed bag and keep them safe until we are able to collect them in. The current situation sees many families facing hardship so any donations will be gratefully received and passed on to those who need the additional support.

Principal – Mrs Homeira Zakary

Raveloe Drive, Nuneaton, Warwickshire CV11 4QP

Telephone: 024 7674 4000

Fax: 024 7674 1530

Exam Results will be emailed to pupils after 8am on **August 20th 2020**. Please ensure we have the correct information in school for this. If you wish anyone else to receive these results, you need to provide the school with written permission, otherwise we are unable to send them to anyone other than yourself.

Our end of school get-together, saw an afternoon of celebration, some personal words, a buffet and the chance to take some group photos. As previously suggested, we will make good our promise to get the year group back together again when it is safe to do. We are looking forward to seeing you all again.

It was not the good bye we wanted to give you after five years with us, however, please keep talking to us, we are here for you.

Kind regards to you and your families at this time.

Mrs Dee Stanton
Vice Principal

Mr Carl Hollick
Pastoral leader – Year 11

Principal – Mrs Homeira Zakary
