## Pupil Information: 'Live' Check-ins and Feedback

All communication will come through Doodle and GES Email accounts.

### Step 1

- You will know in advance the time of 'live' sessions from the schedules sent.
- The day before the 'live' session you will get an email with your unique invitation
- Ensure your parents know and consent to you attending any 'live' sessions
- Ensure you understand the behaviour and expectations of these sessions

### Step 2

- A few minutes before the session, click on your link in your Outlook or Teams Calendar.
- You will wait in the lobby, whilst your teacher checks and registers you in.
- When entering, you need to turn off your video and microphone and read the pupil expectations on the welcome screen

### Step 3

- During the 'live' session you will be shown how to raise your hand to ask a question
- Your teacher will unmute you if needed
- You are able to type a question in the chat function also
- The teacher will build in pause moments for your thinking and time to ask any questions.
